60th Winnipeg Scout Group

Big Birthday Bash and Paden Powell Banquet

Lord Robert Stephenson Baden Powell, the founder of the Scouting movement, was born on February 22, 1857. He's been dead for decades, but Scouting members worldwide continue to celebrate his birthday every year. At the 60th we celebrate with a birthday party, complete with food, friends, and fun, and we invite all Beavers, Cubs, Scouts, leaders, parents and siblings to join in.

The party takes place on Wednesday, February 18, 2009 at the Charleswood Legion beginning at 6:00 p.m. We will be serving pizza, drinks and birthday cake. Along with dinner there will be the famous 60th Winnipeg Birthday bash campfire with songs and skits (participation by all). We will also have a silent auction with some fabulous prizes. And some of our Beavers will be decorating Birthday cakes that will be available to win.

The price for the evening is $7.50 for adults and $5.00 for youth. Children under 3 are free. Maximum for any family is $25.00. Silent Auction and cake raffle tickets will be 4/$1.00 the night of the event.

Parents are encouraged to help us out in collecting items for the silent auction. A Donation request letter is attached. Silent auction contributions can be given to Scouter Lisa (in Scouts) or to your section leaders.

Please return the bottom portion of this page with your money by February 9th for Cubs and Scouts and February 11th for Beavers. If you have youth in more than one section, please let your leaders know who you sent the forms with. Cash is preferred. If you must write a cheque, make it to "60th Winnipeg Scout Group."

Please bring a plate, a cup, and a fork for everyone in your family so we don't have to use throw away paper plates etc.

If you have questions, concerns, or offers of service, talk to a leader.
